

R840

The lightest, most comfortable impact glove for warehousing and logistics.

Impact

Light Duty

Light duty knit glove with a nitrile coated palm and TPR impact protection.

- The Ringers R840 combines the comfort and performance of the HyFlex 11-840 glove and the benefits of Ringers Level 1 impact TPR protection to provide the most comfortable light duty solution for warehouse & logistic industry.

Industries

- Warehousing
- Logistics
- Automotive
- Manufacturing
- Construction
- Food Processing
- Oil and gas
- Utilities

Applications

- General handling
- Packaging
- Picking parts and accessories
- Driving fork lifts and vehicles
- Assembly of small parts

R840

The lightest, most comfortable impact glove for warehousing and logistics.

Key Features

- RINGERS Signature TPR (Thermoplastic Rubber) Unique blend of impact technology reduces the force of impact. Low profile Level 1 TPR covers the full length of fingers, thumb, and back of the hand.
- Dipped nitrile palm coating offering 2x more grip vs. previous technology.
- PU Thumb Crotch Reinforcement (TCR) provides additional durability in a high abrasion area extending the lifespan of the glove.
- Improved FORTIX™ Technology delivers up to 20% more abrasion resistance for longer-lasting wear.
- ERGOFORM™ Ergonomic gloves reduce stress on hands ensuring a fit shaped to natural hand contours that maximizes the range of motion which improves performance.
- Ansell ZONZ™ Comfort Fit Technology optimizes the knitting in selected zones of the 15-gauge nylon and spandex blend liner improving support, breathability, and range of movement resulting in optimal comfort.

Performance Standards & Regulatory Compliance

REACH Compliant
